

CASA OLIVER

Description

Between the azure waves of the Sea of Cortez and the magical beauty of the Baja desert, Casa Oliver sits on the golden sands of the exclusive Puerto Los Cabos community. One of the most prestigious homes in Sun Cabo Vacations Luxury Collection, Oliver features 15,000 square feet of lavish indoor space that connects with over 5000 square feet of outdoor patios and terraces to form a masterpiece of design. Interior appointments include Carrara marble, Venetian plaster, and rich tropical hardwood tempered by crisp white walls and only the finest contemporary decor. Inspired by the grandeur of Colonial-era haciendas, Oliver boasts sweeping grounds, soaring archways, vaulted wood-beamed ceilings and a beautiful courtyard at the heart of the home. Indoors, Oliver's gourmet kitchen, plush living room and impressive 14-seat dining area are united in an open-concept design to create a paradise for guests that love to entertain.

Stunning artwork is found in every room at Oliver with a special 3-panel piece in the living area that mirrors the sand, sea and sky pouring in through the massive recessed glass doors. Cool breezes flow off the Cortez and warm sunshine brightens, creating a comfortable and inviting ambience throughout the home. Oliver's six bedroom suites and private guest apartment rival one another in luxury and stylish comfort. Two rooms have King beds with the other rooms having queen beds – all with spa-like ensuite baths. Discover perfection on Casa Oliver's multi-level terraces where 5-star resort luxury meets endless ocean vistas. Outdoor living at Oliver includes a deluxe gas grill and fire pit, rattan lounge beds and teak sun chairs that seemingly float in the shallow waters of the glistening infinity edge pool. Elegant, bold, exquisite and captivating, Casa Oliver redefines luxury living in Los Cabos.
