

ESPERANZA 2804

Description

Esperanza 2804, a luxurious villa in the prestigious Punta Ballena community, offers the perfect blend of modern amenities and exclusive resort access for your family's Cabo vacation. This stunning property, part of the Esperanza Private Residences, not only provides a comfortable stay with its contemporary facilities but also includes access to the Auberge Private Residences at the Esperanza Resort. Here, guests can enjoy a range of amenities such as exquisite dining options, a clubhouse with pool and foosball tables, and a top-notch fitness center. The villa's privileged location also grants access to private residence pools and the renowned Estrella restaurant, ensuring a stay filled with indulgence and relaxation.

The villa itself is a haven of luxury and comfort, accommodating up to 10 guests across four spacious bedrooms, each adorned with plush linens and ensuite bathrooms. The master suite and two other bedrooms feature king-sized beds, while the fourth bedroom offers two double beds, all opening onto private balconies with beautiful garden views. The heart of the villa is its expansive gourmet kitchen, fully equipped for culinary adventures, complemented by a breakfast bar and a dining area with seating for eight. The adjoining living area, with its warm wood furnishings and soft sofas, invites guests to unwind, whether watching a film on the flat-screen TV or stepping out onto the terrace to enjoy the serene surroundings. Every aspect of Esperanza 2804 is designed to create an atmosphere of serene luxury, making it the ideal setting for a memorable Cabo getaway.
