

# ESTATE AFRIQUE

## Description

This newly reimagined two-level villa sits along the iconic sands of Ranchos Beach, offering a masterclass in minimalist design and architectural precision. Bathed in natural light, the home's open-concept living spaces frame stunning views of tropical gardens, the Marietas Islands, and year-round ocean sunsets.

Clean lines and a refined, neutral palette define the interiors, while palm-filled courtyards, pergolas, and parapets create ever-changing shadows across terraces, patios, and hidden lounge spaces. Multiple dining and entertaining areas, both open and tucked away, provide the perfect setting for gatherings or quiet escapes.

The deluxe gourmet kitchen flows effortlessly into the living spaces, and intelligent home features allow seamless control of lighting and music. As the day winds down, head to the romantic rooftop patio with full bar, designed for sunset cocktails and starlit celebrations.
