ESTATE ROCIO

Description

This newly re-imagined two level luxury vacation villa on famously perfect Ranchos beach is a study in precision and minimalist detail. A joy to explore, dramatic open living spaces welcome the sun via picture window views of tropical paradise, the Marietas Islands and the year round sunset.

The clean lines drawn over great rooms complement an elegantly muted color palette. A palm filled courtyard, pergolas and parapets cast striking shadows on grass, floors, walls, terraces, patios and secret lounges.

There are several dining, lounging, entertaining areas with special hide-away nooks. The gourmet kitchen is open and deluxe. Intelligent home features control lights and music. The romantic rooftop patio has a bar and is ideal for gatherings under the sunset and stars.
