

ESTATE VERANO

Description

Estate Verano is a stunning compound located inside the prestigious La Punta Estates, less than a mile from the St. Regis Punta Mita Hotel. Spanning 5,500 square feet, this expansive villa provides abundant room for guests to relax and enjoy their stay, making it a perfect venue for a guy’s surf weekend or a getaway with friends and family.

The main villa encompasses a master bedroom, two guest rooms, and a versatile bonus room that can be adapted into a media room, a teenager’s retreat, or a king suite, depending on the needs of the guests. The master suite itself is a luxurious space, featuring an office, a library, and a living room that boasts views of the Bay of Banderas from a grand soaking tub. The common areas are equally lavish, including a state-of-the-art kitchen, a unique dining ‘pod’, and an open living room that flows seamlessly to the pool deck, presenting unrestricted views. The entire building’s architecture is designed to amplify indoor/outdoor living. Its surfer chic décor resonates with the vibrant hues of the Mexican sunset, and its comfortable furnishings offer a welcoming embrace to tired, joyful adventurers after a thrilling day on the water.
