Description

THE EXPERIENCE

Hacienda 502, a majestic mansion located in Cabo, Mexico, epitomizes grandeur with its capacious layout of stone and wood. The villa boasts five ocean-view bedroom suites, each offering a private space for contemplation with unique lounging arrangements. The suites are a blend of eastern influences and modern amenities, offering king beds, flat-screen TVs, and private views of the sea from patios or balconies. Bathrooms are spacious and adorned with Spanish tile showers, Tuscan columns, and marble or lacquerwood vanities. The communal areas of Hacienda 502 are designed to create a flow towards the incredible views with multiple living and dining spaces. A personal chef is at your service for breakfast or snacks, enjoyed at the kitchen island bar or delivered to your room.

The mansion's exterior offerings are just as lavish, with a patio living area set beneath a canopy of woods and a wood-burning hearth, perfect for stargazing or lounging around the firepit. A hot Jacuzzi tub and an infinity pool are available for relaxation or invigoration. Hacienda 502's connectivity features, like Wi-Fi and internet access, allow guests to keep in touch with the world while enjoying their vacation. It provides the opportunity for remote work, streaming movies, or sharing vacation photos with loved ones.
