

VILLA AZUL CELESTE

Description

Villa Azul Celeste, perched oceanfront overlooking the sparkling Pacific along the entire Bay of Banderas and the South coast, embodies the essence of elegance on the outskirts of town, approximately 3 miles from the beloved Romantic Zone and Los Muertos Beach. This spacious sanctuary boasts three bedrooms, a dedicated staff, and direct beach access via shared stairs with three other villas within the walled residential enclave. Designed in the traditional Mexican style, the villa features vaulted ceilings adorned with rustic wooden beams, hand-painted tiles, and a decor that harmoniously combines antiques, handwoven textiles, and exquisite folk art. With a heated infinity pool and a full staff, Villa Azul Celeste offers all the amenities and comforts needed for an exceptional Mexican getaway.

As you step through the imposing wooden door and into the villa via an inner stairway or elevator, you enter the main level, characterized by open-air, open-concept living, dining, and a fully-equipped kitchen. One level above awaits the splendid master suite, while one level below the main offers the pool, terrace, and two additional bedrooms. For those seeking a larger group experience, this villa can be combined with its neighboring villa, Villa McFuego, to create a seamless six-bedroom retreat.
