Wrap with influences of contemporary Mexican architecture in its design, Villa Calafia del Mar exudes luxury as soon as you walk through its doors. The interior of the home is tastefully adorned with a wide variety of custom and antique art pieces, acquired both locally and internationally. The collection of art is complemented by Travertine flooring and custom carpets to give the home a touch of sophistication. Looking to unwind and get away from the bustle of the city? Villa Calafia del Mar is your perfect getaway. This peaceful oasis features a Zen meditation garden and yoga equipment to help take your stress away.

If you prefer to be entertained, a large satellite television, surround sound system, and wireless internet access are all available during your entire stay. The bedrooms are an experience all on their own. Three of the four bedrooms are master suites with king-sized bedding, spacious ensuite bathrooms, and breathtaking views of the sea. The fourth bedroom comes with one full and one single bed and a view of the garden and courtyard. The biggest attraction at Villa Calafia del Mar is its outdoor deck area. The home?s custom-built exterior comes with everything you need for a relaxing stay without ever having to go anywhere else. The curvy and perfectly-placed infinity pool oozes style and luxury. If you want a refreshing drink while relaxing in the pool, a swim-up bar is conveniently located under the large, comforting palapa by the pool. Other features of the deck area include a hot tub, a fire pit, a barbeque close to the kitchen, and plenty of cozy seating for everyone in your group. Villa Calafia del Mar is about a 3-minute walk from the beach.
