## Description

Villa Gloriosa, a breathtaking vacation retreat, is nestled in the exclusive and private “Caleta” community of Palmilla, boasting a prime location on the shores of the Baja de San Jose. This magnificent 9,000 square-foot home offers guests panoramic views of the Sea of Cortez, stretching from Punta Palmilla to Punta Gorda. The villa’s Spanish Colonial design is a testament to classic hacienda-style glamour, with its striking red clay roof tiles, creme walls, marble columns, and organic thatched wood awnings creating an elegant exterior.

Inside Villa Gloriosa, the fusion of old-world charm and modern luxury is evident throughout. The gourmet kitchen features state-of-the-art stainless steel appliances, wood-beamed ceilings, and artisanal cabinetry, blending functionality with aesthetic appeal. The living and dining rooms showcase a harmonious mix of modern decor and baroque-inspired furnishings, with creamy Cantera-tiled floors, patterned rugs, a candlelit chandelier, plush sofas, and a welcoming fireplace. Large doors open onto the shaded veranda, inviting warm sunlight and gentle sea breezes into the villa. The sun-drenched terrace outside boasts an infinity-edge pool, an elevated Jacuzzi, and an outdoor grilling area, perfect for alfresco enjoyment. Exclusive beach access to Palmilla Cove further enhances the allure of Villa Gloriosa, making it a symbol of beauty, luxury, and privacy in one of Palmilla’s most distinguished homes.
