

# VILLA MAREA ALTA

## Description

Discover Villa Marea Alta, a five-bedroom beachfront haven in the charming Conchas Chinas neighborhood, just a short distance from downtown Puerto Vallarta, the Romantic Zone, and Los Muertos Beach. Whether you choose to explore the lively energy of Los Muertos Beach or relax by the beach in front of the villa or poolside, this villa offers the epitome of beachfront living.

As you enter through a hand-carved wooden door on a cobblestone street, you'll be welcomed by the soothing sounds of courtyard fountains and our gracious staff, serving frosty margaritas infused with Mexican hospitality. Villa Marea Alta seamlessly blends traditional Mexican architecture with Puerto Vallarta's coastal design, boasting 6,000 square feet of indoor and outdoor living space and breathtaking bay views. With five bedrooms, a flex bedroom on two main levels, and a separate one-bedroom Casita, this private retreat is perfect for families, friends, or corporate getaways. Enjoy all the amenities and comforts of a luxury vacation.
